# Promptings

As of last report, our members have donated a total of \$59,102.59 through the 2018 CBCFC Christmas Missions Offering. Thanks to all the donors for their generosity!

Two revenue streams feed the Christmas Missions Offering: undesignated and designated.

Many of us simply give a gift through the Offering. Such undesignated gifts are divided according to a percentage formula: 70 percent divided equally between the Lottie Moon Offering and the Global Missions Offering; 18 percent to the ToyStore; 6 percent to Mission of Hope; 6 percent to Community Missions.

Some of us choose to designate a specific recipient for our gifts. Our financial office takes great care to ensure each designated gift is forwarded to the donor's selected missions entity.

When we combine the revenue streams, the distribution of our gifts is as follows:

Lottie Moon Offering: .....	\$19,478.40
Global Missions Offering:.....	18,703.40
ToyStore:.....	14,402.47
Community Missions:.....	3,359.16
Mission of Hope: .....	3,159.16

Thanks to your giving, many around the world, in our region, and in our city will hear and see the gospel in action.

Mike Smith
