NOTES OF ENCOURAGEMENT

Throughout the month of May, please take a few moments to write some notes of encouragement for our Puerto Rico missionaries. Josh will collect them, take them with him, and give them to team members while on mission to keep their spirits up and let them know people at home are praying for them! There will be collection points at both worship spaces throughout the month. Notes of Encouragement should be written generically and not to specific team members.

Some suggested items are: fruit trays, veggies & dip, cookies, cupcakes, pretzels, potato chips, etc. A sign-up sheet will be in the Sunday School boxes. Thank you!

Promptings

As we continue to prepare for the Puerto Rico mission trip, let's review a few facts about Puerto Rico.

From 1493 until 1898, Puerto Rico was a colony of Spain. At the end of the Spanish-American War, Spain ceded Puerto Rico to the United States. In 1900, Puerto Rico became an unorganized territory of the United States and was allowed to send one delegate (non-voting) to the U.S. House of Representatives. In 1917, the people of Puerto Rico were granted U.S. citizenship by an act of Congress. Puerto Rico became a self-governing commonwealth of the United States in 1952.

Puerto Ricans have consistently voted to remain part of the United States. In recent years, they have voted in favor of statehood, but the U.S. government has not acted on the request. Since 1917, Puerto Ricans have been subject to the U.S. military draft (whenever such a draft was in effect), and Puerto Ricans continue to volunteer in significant numbers for service in the U.S. military.

Hurricane Maria, a category 4 storm, struck Puerto Rico on September 20, 2017. Most of the country's power and water infrastructure suffered heavy damage and over 3,000 citizens lost their lives. Recovery has come slowly, and even today many Puerto Ricans lack access to clean water, power, housing and other resources.

We are sending a team of volunteers to help our fellow citizens. Our mission team will work with Mission Serve in Puerto Rico to address humanitarian needs and to share the gospel in various ways. Continue to pray for and support the team in the days ahead.
