# From Your Pastor

In Catalyst last week, we invited people to draw an early memory of prayer. So — if you were to do this exercise, what would you draw? One thing I have learned is that God listens intently to our prayers whether we draw them or sing them or write them out. God pays attention to our prayers when we think them, when we recite them, and even when we whisper them.

Henri Nouwen, a great spiritual director, teacher, and priest said this about prayer:

*There are as many ways to pray as there are moments in life. Sometimes we seek out a quiet spot and want to be alone, sometimes we look for a friend and want to be together. Sometimes we like a book, sometimes we prefer music. Sometimes we want to sing out with hundreds, sometimes only whisper with a few. Sometimes we want to say it with words, sometimes with a deep silence.*

*In all these moments, we gradually make our lives more of a prayer, and we open our hands to be led by God even to places we would rather not go.*

This week won't you practice and make your life a prayer?

Blessings, Ande Myers
